# Project Learning Tree E-Unit Training Workshop

Carbon & Climate (grades 6-8)

**Half-Day workshop**

**9:00-1:00**

**Cost: \$15**

**Includes: two digital  
curriculum units,  
Lunch is provided**

**Audience: Middle School Teachers  
Formal and Non-formal Educators  
Professional Development Workshop**

Participants will explore PLT's new E-units during this  
hands-on, engaging workshop

## Workshop Details:

This summer, Project Learning Tree launched three E-Units: ***Treemendous Science, Energy in Ecosystems*** and ***Carbon and Climate***. During this half-day workshop, participants will become certified in the middle grades, Carbon and Climate, E-Unit. This session will include hands-on activities and exploration of the curriculum. Participants must bring a laptop computer or tablet. Lunch is provided.

Advance Registration is required. Substitute stipends are available upon request. [Click Here to Register](#)
